Headteacher Neighbouring School	OPPOSE	<p>It is worth noting that Newtown Primary School, in Derbyshire but only just over a mile away, is undersubscribed and has much capacity. We would be dismayed, if more families from Derbyshire chose Disley instead of their local catchment school. Is the expansion to meet solely Cheshire need? Would applications from Derbyshire families be directed back to schools in Derbyshire as there is the capacity?</p> <p>We are faced with redundancies due to falling NOR and I can see the expansion of Disley making the situation worse for us, if not managed well.</p> <p>We have a good relationship with Disley Primary School and they have joined our local Derbyshire Cluster (PEGS - Peak Edge Group of Schools). We clearly want to keep this positive collaboration going, but need to look out for the future of our own schools too.</p>
