Dear Sirs

We wish to advise that we have received formal objection to the notice that was outside 141 West Street, Crewe until yesterday,

The notice advised my tenants that loud music and also the sale of alcohol will go on till early hours of the morning

[REDACTED] West Street, Crewe, CW1 3HH

Mr [REDACTED] bedroom in [REDACTED] West Street is the next room to the public house and he can hear even people walking around the property due to the lack of sound proofing between a single coarse brick wall. He advises he is very concerned that they are wanting a license to play live music until 2:30 AM some mornings. Additionally to be also allowed to play loud music until similar hours or have people talking loudly in a room while he is trying to sleep.

Knowing the property is a terraced property and the sound issue in the past when it was a practicing public house without music I must stress that should this be permitted adequate sound proofing be installed and tested. Also to ensure a limited is applied to public music.

The prior landlord came to an agreement with myself to close at 11PM to ensure the sound did not encroach on the tenants of the property and did not disturb them in their own home.

Warm Regards
