6.0 Policy Implications

- 6.1 The Licensing Authority has adopted a Statement of Licensing Policy in accordance with section 5 of the Licensing Act 2003.
- 6.2 Whilst having regard to the general principles within the Statement, Members may wish to consider the following:
- 6.2.1 The representations relate to the Prevention of Crime and Disorder and the Prevention of Public Nuisance Licensing Objectives. The Licensing Authority sets out at paragraphs 7 and 9 respectively, of its Statement of Licensing Policy how it will deal with representations under these objectives. At paragraph 9.1 the Statement of licensing policy confirm that a broad interpretation of what constitutes a public nuisance will be taken
 - In considering the potential impact of licensed premises on the surrounding locality the Licensing Authority, when in receipt of any Relevant Representations will take into account the type of entertainment activity proposed hours of operation, the capacity of the premises, the character of the areas and the proximity to local residents. Consideration will be given to the potential steps which could be taken to reduce the risk of nuisance occurring. This will particularly apply in areas where there is residential accommodation in the proximity of the premises. Para 9.2
 - The Statement of Licensing Policy has a specific section relating to noise nuisance. This section is reproduced for the benefit of the sub-committee at appendix 3
- 6.3 Members should provide reason(s) for any decision taken and should set out the reasoning where they determine to depart in any way from the Policy or Guidance.

6.4 Deregulation Information

Whether a licence is needed for regulated entertainment will depend on the circumstances, and activity provided.

The deregulation of regulated entertainment in 2015 now provides an exemption for live amplified music to be played without the need for a licence for small audiences in workplaces and premises authorised to sell alcohol for consumption on the premises, between the hours of 08:00 and 23:00 on the same day for audiences of up to 500 people.

Any playing of recorded music in premises authorised to sell alcohol for Consumption on the premises will not require a licence provided that it takes place between 08:00 and 23:00 on the same day for audiences of up to 500 people.

The playing of recorded music that is incidental to other activities that are not themselves the provision of regulated entertainment will be exempt.

7.0 Financial Implications

7.1 Not applicable.

8.0 Legal Implications

8.1 In accordance with the provisions of section 18 of the Licensing Act 2003 the Licensing Authority must, having regard to the representations, take such steps (if any) as it considers appropriate for the promotion of the licensing objectives. Section 18(4) provides that the authority may:

- (a) Grant the licence subject to the relevant mandatory conditions and conditions consistent with the operating schedule
- (b) Modify the application to such extent as the Authority considers appropriate for the promotion of the Licensing Objectives
- (c) Exclude from the scope of the licence any of the Licensable Activities to which the application relates
- (d) Refuse to specify a person in the licence as the Premises Supervisor
- (e) Reject the application.

8.2 Members are reminded that should any conditions be added, they should be practical, enforceable and appropriate to promote the Licensing Objectives.

8.3 Members are also reminded of the statutory obligation placed on the Local Authority under section 17 of the Crime and Disorder Act 1998 to through all of its various functions, and Licensing is one of those functions to do all that it can to prevent Crime and disorder, Anti-social Behaviour, behaviour adversely affecting the environment and re-offending.
