### POLICY FOR THE

# NEW HOMES BONUS COMMUNITY FUND SCHEME

2018/19

May 2018

#### 1. BACKGROUND

- 1.1. On 22nd February 2018 the Council set aside £2m (£1m in each of 2018/19 and 2019/20), as part of the Medium Term Financial Strategy, for a New Homes Bonus Community Fund.
- 1.2. New Homes Bonus (NHB) is a Government grant that has been paid to Cheshire East Council since 2011 based on the net annual increase in local homes. The bonus is a permanent feature of the Local Authority Finance Settlement, created through top-slicing Revenue Support Grant.
- 1.3. The New Homes Bonus Community Fund will be split across the Borough based on the location of housing developments that have contributed to the New Homes Bonus funding allocated to Cheshire East Council. The scheme provides communities with an opportunity to engage directly in how this funding should be spent, in accordance with locally agreed priorities.

#### 2. LEGAL AND BUDGETARY FRAMEWORK

- 2.1. The Finance and Communication Portfolio Holder will be responsible for the administration of the New Homes Bonus Community Fund Scheme and has delegated authority to approve funding applications.
- 2.2. All decisions about use of this funding will be made in accordance with the guidance and principles set out in this Policy.
- 2.3. In approving funding applications the Portfolio Holder will be advised by Award Groups comprising local ward members and representatives from Town & Parish Councils who will, in the first instance, engage with their individual communities to determine local priorities. Membership of each Award Group comprises the local ward members for each Fund Area plus representatives from the Town and Parish Councils as set out at **Annex 1**.
- 2.4. The New Homes Bonus Community Fund budget is fixed at £2m over the financial years 2018/19 and 2019/20.
- 2.5. At the discretion of the Portfolio Holder for Finance and Communication flexibility may be allowed to carry forward funding allocations beyond the 2019/20 financial year.

#### 3. SCHEME DESIGN

3.1. Spending of the New Homes Bonus Community Fund will be determined in two distinct phases:

Phase One: **Allocation** of Funding to areas by the Cabinet.

Phase Two: **Determination** of the priority activities, by the Local Awards Groups and identification of the most appropriate commissioning route. Applications may be invited from the Community for some activities with a formal grants awards process to determine successful schemes.

#### Phase One: Allocating of funding to areas

- 3.2. Allocations will be made on the basis of Fund Areas that mirror the seven Cheshire East Council Highways Groups.
- 3.3. The allocation for each Fund Area will be based on two elements: a fixed allocation; and a variable allocation based on the net increase in homes, within each Fund Area, using data for the period October 2010 to October 2017.
- 3.4. The annual Fixed Allocation is £350,000. This to be split evenly between the seven Fund Areas providing individual allocations of £50,000.
- 3.5. The annual Variable Allocation is £650,000. This to be split between each fund area based on net housing completions between 2011 and 2017.
- 3.6. Annual Fund Area allocations are set out at Annex 2.

#### Phase 2: Determination of Local Priority Activities and Approval of Applications

- 3.7. The process for identifying priority activities and the appropriate commissioning route and for assessing and approving applications is set out in **Annex 3**.
- 3.8. In the first instance local Awards Groups will engage with their local communities to determine the priority activities to be funded from the allocated funds. Council officers will provide information and support to the Awards Groups where necessary.
- 3.9. In considering potential uses of the NHB Community Fund the local Awards Groups will have regard to the following key principles:
  - Spending should support the Outcomes within the Council Corporate Plan as set out in Annex 4.
  - Activities funded through the NHB Community Fund must demonstrate how they will enhance service delivery and provide tangible additional benefits for the local community.
  - Appropriate governance arrangements must be in place before any spending takes place.
  - There is an expectation that projects will make a visible impact in the local community. For this reason the minimum allocation per project is £10,000.
  - Funding must not be used to pay for administrative expenses that would normally fall to town and parish councils.
  - Proposals may include new services or the amendment or retention of existing services, unless this is in direct contradiction of Council Policies.
  - Funding may only be used for activities which the Council has powers to undertake and must not be used to pay for parties, items that only benefit individuals, fundraising, political or religious activities.
  - Proposals must be self-sufficient and not generate unfunded commitments beyond the 2019/20 financial year.
  - Funding should not be used for projects which have already been completed or are substantially complete (i.e. funding cannot be applied retrospectively).
  - Funds must be committed by the end of the 2019/20 financial year. Any unspent funds may be clawed back and reallocated by the Awards Groups for other projects within the relevant funding area.
  - Funding cannot be used as a substitute for existing s106 funding.
  - Allocations may be pooled in whole or in part with neighbouring areas.

- Activities must demonstrate value for money.
- Activities should not result in duplication of service provision.
- 3.10. Example bids are set out at **Annex 5.** These are purely illustrative and other uses of scheme funding that satisfy the criteria set out above may be considered.
- 3.11. Once the priority activities have been agreed, the Award Groups will identify the appropriate commissioning route for each.
- 3.12. The three main commissioning routes are: commissioning services from Cheshire East Council; commissioning services from community groups and organisations; and commissioning services from town and parish councils.
- 3.13. Where services are to be commissioned from the Council or town and parish councils officers with the appropriate technical expertise will assist the Award Groups in preparing schemes.
- 3.14. Applications from community groups and organisations will be assessed in accordance with the guidance set out at **Annex 6**. This will be amended to ensure consistency with the Corporate Grants Protocol which will be considered by Cabinet in July.

#### **Approval of Applications**

- 3.15. There will be a single application round for New Homes Bonus Community Fund for the financial years 2018/19 & 2019/20.
- 3.16. Council Officers will 'score' applications based on the guidance set out in **Annex 7**.
- 3.17. Once all applications are scored the results will be considered by the relevant Award Group and a decision report prepared for approval by the Portfolio Holder. Notice of this decision will be circulated to all elected members who must make any comments within 5 days (the "Call-in Period").
- 3.18. Should any comments/objections be made during the 5 day Call-in Period a further meeting will be held for the Portfolio Holder to consider them and make a final decision.
- 3.19. Special Conditions may be included in the recommendations report if considered necessary to ensure that the purpose of the grant funding is achieved. For example, if the successful delivery of a scheme is dependent on factors such as securing match funding or obtaining planning permission a Conditional Offer may be made subject to these conditions being met.
- 3.20. If there are no objections the Portfolio Holder decisions will be treated as final and applicants notified of the outcome as soon as possible after the Call-in Period has ended and a conditional acceptance letter issued.

#### 4. GENERAL GRANT CONDITIONS

- 4.1 Grants are classed as one-off and should not be seen as repeat funding.
- 4.2 If an Organisation's financial position means that they are unable to begin the project without payment of the grant first they may be entitled to request payment prior to the project commencing. Monitoring information will still need to be submitted 12 months after the date of the offer letter.

Grant applications without planning permission in place will only be considered if the application is for a feasibility study or architects fees in order to establish the viability of the project.

The Organisation can direct some or all of its activities at specific groups where the intention is to address discrimination or disadvantage.
- 4.11 Organisations will be required to participate in a monitoring process and provide monitoring information to evidence how the grant money has been spent, the outcomes and value for money delivered and adherence to the conditions of the grant. This must include receipts or invoices and a written report of the project, activity or event, plus photographs if possible, on completion.
- 4.12 Organisations must acknowledge the support of Cheshire East Council in press releases, publicity and advertising etc. Electronic copies of the Council's logo will be sent with grant offers.
- 4.13 The Organisation will allow Cheshire East Council to use details of the grant award, together with any relevant photographs supplied, in media releases and on the Council's website.
- 4.14 Where expenditure is incurred on the project, activity or event prior to the grant decision being confirmed this shall be at the Organisations risk. In these circumstances the Council reserves the right to withdraw any conditional grant offer made.
- 4.15 Organisations must notify the Council of any material changes in circumstances which affect their financial position or governance throughout the period in which the grant monies are being used.
- 4.16 The grant must only be used for the purposes specifically stated in the application form, Should it be spent in any other way, without written approval from the Council, the Organisation may be asked to return some or all of the monies paid.

- 4.18 All conditions, under which the grant has been awarded, including any Special Conditions, must be met. Failure to do so could result in the Organisation being asked to repay the grant monies to the Council.

#### 5. MONITORING AND RECORD KEEPING

- 5.1 Following a successful application and in order to ensure that monies are used in an appropriate manner, as set out in this Policy, a monitoring report will be required following project completion. This report shall include, but shall not be limited to, how many people benefitted from the project, if a profit was made and how it was used, how the grant money was used and what difference the project made to the Organisation and/or local people.
