Concerns over buses - A lack of local buses, and poor reliability/efficiency of existing buses in the Boundard Services do not meet the needs of the young and elderly. Accessibility for all on bus services was also Poor punctuality of Rail Services and improved frequency needed, such as re-opening of Middlewic the mid-Cheshire line.

Improve integration between modes of travel

Lack of focus by the Council on sutainable transport infrastrucutre, cycle routes should be safe and journal congestion and traffic problems

The importance of pollution and air quality Road Maintenance including footpaths

Car parking is needed for access to services (schools, hospitals, town centres)

Transport Infrastructure should be provided alongside new devevlopments (cycle, walking, bus, tra

Need for improved coordination/management of roadworks

Extension of the Metrolink into the north of Cheshire East

Ensure SEMMMS and LTP are integrated

Confusion over the hierarchy of priorities - should be maintaining infrastructure anyway

Strategy Changes/updates

- *We will work to develop and revise the bus chapter of the LTP strategy before going to Cabinet and
- *Strengthen the text around Sandbach to Northwich Line it's an ambition of the Council.
- *The LEP are commissionig a study on the Mid-Cheshire Line and we will continue to progress with 1 alongside partners.
- *The Council will continue to work with the DfT and franchises to ensure good services for Cheshire
- *Ensure LTP reflects what is in SEMMMS on integration.
- *Refer to park and ride in the text in reference to integration of modes.
- *The strategy has a section on sustainable transport, including walking and cycling.
- *Evidence car ownership and housing growth in text
- *Important to address key pinch points, especially in towns and villages
- *Reinforce personal choice residents can help by choosing different modes of travel
- *Insert graphic of timeline of major scheme delivery
- *Refer to draft Air Quality Strategy which is being developed
- *Refer to well managed highway infrastructure (code of practice)
- *Risk based approach to asset management
- *Parking reviews to be undertaken in each key service centre and principal towns over the next few will address parking
- *SMOTS has recently been adopted
- *ensure infrastructure is funded by developers and is delivered in advance of the devleopment bei
- *May be potential for forward funding by CEC for this purpose
- *explain how roadworks and permits are coordinted
- * Expand on info for permits scheme
- *No foreseeable plans for metrolink extension into Cheshire East
- *Bus Rapid Transit scheme (SEMMMS) is the focus linking the north of the borough into Greater Mar
- *Schemes from the SEMMMS strategy will be included within the LTP strategy (e.g. BRT, Disley Bypa improvements)
- *Reword this explanation of the hierarchy of priorities
- *CEC are looking to maximise new infrastructure where maintenance is not good enough
- *Give examples
