## **11. Anti – Social Behaviour Task and Finish Group**

OFFICIAL

- 11.1 On 6 December 2018, Health and Adult Social Care Overview and Scrutiny Committee approved the recommendations from a task and finish Group on anti -social behaviour. The task and finish group had been set up to measure the impact of a decision taken by Peaks and Plains Housing Trust to remove its Neighbourhood and Anti-social Behaviour Unit.

The task and finish group wished to establish whether that decision had put greater pressure on the Council's services and those of Cheshire Police to deal with increased caseloads of low-level and high-level anti-social behaviour.

- 11.2 The recommendations of the task and Finish Group were:

- 1 That this case be used as a learning exercise for all community safety partners in Cheshire East, and a reminder of the need for improved consultation and communication between local community safety partners regarding proposed changes to community safety service provision, to minimise the potential impacts to residents.
- 2 That community safety partners endeavour to set a clear precedent for consultation on such matters, as well as collective information sharing agreements, to further encourage the partnership approach to develop and become a more effective function.
- 3 That Peaks and Plains Housing Trust, Guinness Partnership and Plus Dane Housing be asked to provide further evidence to the council's Corporate Overview and Scrutiny Committee – the scrutiny body now responsible for community safety matters – to inform of current and future planned arrangements for how anti-social behaviour cases are dealt with, and performance in this area.
- 4 That the Corporate Overview and Scrutiny Committee endeavour to be involved in the development and production of future strategies and policies in relation to anti-social behaviour.
- 5 That this report be shared with all partners within the Safer Cheshire East Partnership, to inform of the findings, lessons learned and recommendations that arose from this review

- 11.3 The Committee is invited note recommendation 3 to give consideration to recommendation 4 above with a view to adding an appropriate item to the Committees work programme .
