APPLICATION FOR A PREMISES LICENSE: LICENCING ACT 2003

As a [REDACTED] to the above premises we object to the above application to increase the frequency of weddings at Grange Farm. During a number of weddings held at the location in 2019 we experienced a number of serious social disturbances. There has been episodes of high levels of noise caused by the music played at the venue, along with drunkenness in the lane both in mid afternoon and late at night. Guests trying to gain entrance to our gardens and verbally abusing us, both in the afternoons and later evening. This is very annoying and upsetting especially when our nearest police contact point is Crewe which is 30 minutes drive away.

We also have to contend with traffic noise late at night as guests leave the venue. This commences at about midnight and can last until well after 01.00 pm. Guests and/or taxi drivers show little respect for neighbours at this time of night. This has lead to disturbed sleep patterns.

It would appear that there is a lack of management expertise on site and certainly they seem quite incapable of managing weddings larger than 80-90 people. Also to live in harmony with all their adjacent neighbours the site should continue to operate for a further two years with their existing Saturday night arrangement. Also to reduce incidents of drunkenness and loutish behavior the site should close at midnight.
