Dear Sir/Madam

My name is [REDACTED] and I live at [REDACTED] yards from the premises which the license has been applied for, I have lived here for over 25 years and have had to tolerate Loud noises, my car being vandalized, yelling and shouting well into the early morning hours (3am) on Friday/Saturday/Sunday nights. Wardle Street is a Cul-de-sac off Park lane but seems to be a main thoroughfare for a considerable number of people who wish to act antisocially late at night/early morning due to alcohol or drugs

I wish to object most strongly against this application, East Cheshire council already has had multiple complaints about vandalism and alcohol/drug induced bad behavior just 50 meters away at the underpass at Park Lane/Churchill Way and has sent out letters to us residents in this area notifying us that they are aware of the problem.

Please note that since the Covid-19 lockdown and all the licensed premises closed there has been a noticeable lack of noise during the late evening/night.

Yours Sincerely

[REDACTED]
