Further to my last email.

Macclesfield Council and Police are aware there is a problem with alcohol and drug misuse in Park Lane as is evidenced by a letter delivered to residents in the immediate proximity on 27th March this year. I work for myself, I am an [REDACTED] very often I have to retire to bed early on a Friday or Saturday evening in order to be up at 5am to travel some distance to a [REDACTED] at which I am exhibiting. Very often I am awoken in the early hours of the morning by the noise and unsociable drunken behaviour of these louts returning home. If this license is granted my, and the other local resident's, sleep, will be ruined because the Schoolroom will be adding to the noise and social nuisance so prevalent on Park Lane on Friday and Saturday nights.

Sincerely,

APPLICATION FOR A LICENSE TO PROVIDE THE SALE AND CONSUMPTION OF ALCOHOL , AND THE PROVISION OF RECORDED MUSIC. AT THE SILK MUSEUM, SCHOOLROOM, PARK LANE, MACCLESFIELD, SK11 6TJ.

My name is [REDACTED], I have lived at the address for 12 years.

I object to the above Application for the following reasons, Park Lane is a residential area, I live about [REDACTED] away from the Schoolroom referred to in the Application. Park Lane is currently a drug and alcohol fuelled highway on a Friday, Saturday and occasionally Sunday nights, late night and early morning, stupefied drunken, drug induced, screaming and shouting revellers stagger uncontrollably along Park Lane, disturbing the nocturnal slumbers of the local community. Many urinate in the rear doorway of Arighi Bianchi [REDACTED], on Park Lane cars have had their wing mirrors torn off, windscreens smashed, and tyres slashed etc. The residents of the newly built flats adjacent to Paradise Mill have applied for and been granted permission to park their vehicles overnight in the car park of the Mill for fear of repeat damage by these scoundrels. Often there are brawls and street fights generally involving young adults (?)

There is an abundance of wine bars, pubs and restaurants centered around Park Green, just off Park Lane, all within two minutes walk from the Schoolroom. If this License is granted it will add to the burgeoning, rowdy, loud, unruly, unsociable and at times unlawful behaviour prevalent on Park Lane at the weekend.

The objects of SUSO are laudable in their quest to assimilate the underprivileged etc; into the larger community, if this license is granted SUSO will be alienating the local community of the area around Park Lane and putting themselves in an untenable position with the local residents, this Application should / must not be granted.

Yours Sincerely,
