I write to strongly oppose the current application at The Eight Farmers Pub, Leighton, CW1 4PY.
The close proximity to local residents, the majority with young children close by, means an extension permit to sell alcohol late into the night is totally inappropriate and completely unnecessary for the local community. This particular venue and its location already attracts some antisocial behaviour, this is especially true since lockdown restrictions have been eased. The language and behaviour over recent weeks is not something I wish my children to see or overhear. In [REDACTED] we can hear everything.
There is simply no need for this application.

Secondly, changing the external layout to accommodate provision of farmers markets, car boot sales etc etc would result in cars parking along Parkers Road and adjacent roads causing a bottleneck of traffic on an already busy route.

Regards
