**Subject:** APPLICATION FOR VARIATION OF EXISTING LICENCE AT THE "EIGHT FARMERS" PUBLIC HOUSE, PARKERS ROAD, CREWE, CHESHIRE  
**To:** <[Licencing\\_CE@cheshireeast.gov.uk](mailto:Licencing_CE@cheshireeast.gov.uk)>

I refer to the application which I understand is in the process of being made later today. I wish to raise objections to this under the Licensing Act 2003 for the following reasons:

**PREVENTION OF CRIME & DISORDER:**

- several residents have been able to smell drugs into our gardens which has emanated from the Public House car park, where patrons are clearly taking illegal drugs whilst visiting the Public House
- drunk patrons are seen getting into their vehicles at night and driving whilst clearly under the influence
- Police have been called numerous times, it is understood, due to fighting occurring. In fact on the first night the Public House was allowed to re-open after the lockdown, there was a fight which involved a large group of patrons and also it is understood criminal damage occurred to a vehicle parked on the car park. Police were called to this incident.

**PUBLIC SAFETY:**

- the local residents do not feel safe when the Public House is open during "normal hours" let alone if those hours were to be extended. For the last few weekends it has been noted that the Public House has been serving into the early hours as we have been experiencing lots of noise as a result and do not feel safe, especially when regular fights are breaking out and criminal damage.

The patrons often use the "cut through" at the top of Harris Close to walk through and often cause noise or even use as a toilet.

There does not appear to be any regard for "social distancing measures" and in view of the current Covid 19 pandemic, this is also a major concern for local residents.

**PREVENTION OF PUBLIC NUISANCE:**

I understand that numerous residents have already made formal complaints regarding the noise coming from the Public House during the early hours of the morning. This is before any licence extension has been granted. The Landlady/Landlord is clearly not adhering to the current licence conditions, if neighbouring

residents are able to hear such loud noise often until 3am through drunk patrons clearly still consuming alcohol.

I would be most grateful if my representations above could be considered prior to the application for variation taking place. I understand that other local residents have also raised their objections and as stated, several complaints have been made regarding the Public House prior to the knowledge of the application for variation.

I look forward to hearing from you.

Regards
