Dear sir

I am aware that fifty five degrees, 2-4 crewe road Alsager has made an application to extend the hours to play recorded music and extended hours to serve alcohol.

I wish to object to this application on the grounds of potential noise and disturbance to local residents.

I would respectfully ask the licensing authorities to consider the wider impact their decisions have on the local community. As with everything a reasonable balance has to be established, and a gradually extension, followed by extension of hours avoided.

With best wishes
